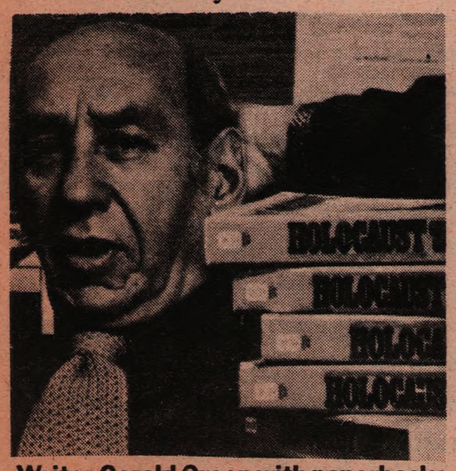
### Psychology Behind "Holocaust"

All the factual evidence proves that no more than 300,000 Jews could possibly have died during World War II. Still, this has not stopped the Jews from pulling out all the stops to beat Christians mentally with their TV fiction, *Holocaust*.

The Jewish Anti-Defamation League brought in psychologists to develop a story which would hold an audience and instill within it feelings of pain and guilt. The intent is to implant guilt feelings over the "holocaust" so deeply within the minds of Christians that the Jews will face no opposition to any of their demands, either for Israel or for the Jew community in America.



Writer Gerald Green with paperbacks

## Will Christians Fall for Hoax?

Remember last year when they told us that violence was out on TV because it was gory and sickened people? Sex was to be used to hold audiences again. *Holocaust* is filled with scenes of "evil Germans" shooting, gassing and burning piles of Jew corpses. *Newsweek* magazine of April 10 warned that *"Holocaust is not for the squeamish."*

Then *Time* for April 17 stated that this was one of the most *"brutal"* films ever to be shown on TV. Yet in the same issue, *Time* states Jew Gerald Green has designed the plot with *"out-and-out heart throb young characters to hook the kids"* into watching the show. Children often dictate what the parents watch.

### All-Jew Production

Let there be no doubt about it - this show is all-Jew written, promoted, directed and produced. NBC programmer Irwin Segelstein ordered work to begin on *Holocaust* two years ago. It was given an unlimited budget and produced by Jews Robert Berger and Herbert Brodkin. It was directed by Marvin Chomsky, who made *Roots*. The Jew Gerald Green wrote the script and the book.

Just consider for a moment how many people would pay to go to a 9½ hour movie? No one, but by making this into a soap opera film with many sub-plots and love angles it is designed to hold the viewer in front of the boob tube night after night. Gerald Green says that those who view *Holocaust* will never again be able to meet a Jew without a feeling of sympathy. In other words, we will be at a psychological disadvantage in dealing with Jews in business or politics.

# Jew Lobby Out to Get Brzezinski

Zbigniew Brzezinski

### Jews Demand Carter Fire Brzezinski

National Security Adviser Zbigniew Brzezinski, 50, had all the necessary liberal credentials when he joined the Carter Administration. He is a political scientist who taught at Harvard and Columbia and was a member of the Council on Foreign Relations and the Tri-Lateral Commission. Today the American Jewish Committee is demanding that Brzezinski be fired!

It all began when the Polish-born Brzezinski warned the president that we were giving up too much to the Russians in the SALT arms limitations talks. He has urged Pres. Carter to take a stand against the Soviet-Cuban invasion of Africa and to not consider economic sanctions against South Africa. Secretary of State Vance's Jew assistant, Marshall Shulman, charges that Brzezinski's attitude toward Russia and Israel is one of "provocation" which can only harm our foreign policy.

When Pres. Carter adopted Brzezinski's plan for selling a very limited amount of arms to Egypt and Saudi Arabia, Jewish leaders demanded a meeting with Brzezinski. Representatives of the three most powerful Jewish organizations met with him. They were the all-powerful "Conference of Presidents of Major American Jewish Organizations," the "American Jewish Congress," and the "Council of Jewish Federations and Welfare Funds."

The meeting was a stormy one and later Zbigniew Brzezinski stated that *"I was stomped on by individuals who stood and read statements at me that everything I'm doing is wrong."* He said the Jewish leaders were *"raw, brutal"* and that their behavior was *"shocking."* White House aides said the meeting was meant to reassure Zionist leaders that the U.S. still backed Israel, but it turned out to be a *"disaster."*

It is clear that the Jews consider that they should first clear ALL U.S. foreign and domestic policy. They are not willing to tolerate even a single dissenting voice. After the meeting, Brzezinski angrily retorted:

*"If you don't agree with them on everything they will stamp you an anti-Semite!"*

### The Pressure Builds

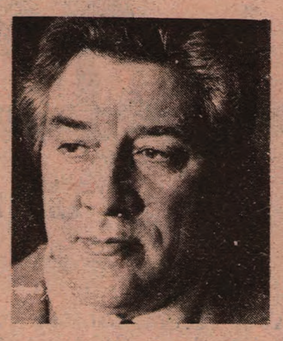
In order to further pressure the White House to get rid of Brzezinski, Jew Mark A. Siegel suddenly resigned. He was Carter's liaison with the American Jewish Committee. Siegel sat in on all discussions regarding U.S. policy in the Middle East to keep the Zionist leaders informed and this is how they learned of Brzezinski's views.

Jew Robert Lipshutz of Atlanta has informed Carter that Brzezinski has got to go. Brzezinski is described as a forceful speaker and is not shy. He says that it is his job to advise the president as to what he feels is best for the country and *"the attacks upon me will not change my views."* Mr. Brzezinski has time and again urged Carter to stick to the *"core"* issue for peace in the Middle East and that is entwined *"in the need for a significant withdrawal of Israel from occupied Arab territories combined with a solution of the Palestinian problem."* He has called for self-determination for the Palestinians residing on the West Bank.

Presidential aide and Washington playboy Hamilton Jordan announced last week that there will soon be a major shakeup in the Carter Administration. It is reported that the pressure is on right now to force Brzezinski to resign. This is said to be the only way the Jew community can be appeased. Jordan ridicules Brzezinski, calling him *"Woody Woodpecker"* and intimates that his days in office are numbered.

Thus it is clear that the Jew lobby in Washington still is in control and when one man gets out of line, they have the power to twist the president around their finger like a pretzel. This situation must change because we cannot allow 4% of the population to determine the destiny of this White Christian Republic.

# Clark Attacks S. Africa



Sen. Dick Clark

### Betrayal of Our White Brothers in South Africa

**Iowa's** Senator Dick Clark, chairman of the Foreign Relations Subcommittee on African Affairs, has called for U.S. economic sanctions against South Africa.

Sen. Clark says American banks and investors have helped the White people maintain segregation in South Africa by doing business there. He charged that some 300 U.S. companies have put at least $1.6 billion into South African over the past two decades. He says that banks have loaned that government some $2.2 billion, which allowed South Africa to modernize its military forces. In other words, he does not want the White people to be in a position to defend themselves from communist guerrillas.

Clark is one of the most extreme radicals in the U.S. Senate. He says that Pres. Carter has not gone far enough to bring down the White government. Clark demands that all tax benefits be cancelled for U.S. firms doing business with South Africa. Despite the fact that South Africa is one of the few countries which helps our balance of payments by importing more of our goods than we buy from them, Clark still demands a boycott of South Africa. The fact that this would create mass unemployment among blacks in South Africa is dismissed by him as a temporary problem.

**Iowa** is a mostly White state. They do not need the likes of Sen. Dick Clark. Never has that fine state had such a pro-communist in the U.S. Senate. He deserves early retirement.

### Negroes Sue for Medical Degrees

Chicago civil rights leader "Rev." Jesse Jackson has announced that 20 minority students failed their graduation exams at Illinois Medical School. Jackson, head of the negro organization PUSH, declared that their civil rights had been violated and that a suit had been filed for four of them. They are Louis DeSalle, Terrence Brown, Joe Campbell and a Puerto Rican, Andres Vera.

Dr. Truman Anderson, dean of the medical school, said that these students had been admitted despite lower grades and test scores that were required of White applicants. He added: *"While we admit students under differing standards, we must stand firm, and never graduate those who are not qualified."*

Jesse Jackson protested that since they spent time at school, they were entitled to medical degrees.

## *Kills right-winger for denying death of the six million*

PARIS (JTA) — A self-proclaimed "remembrance commando" assumed responsibility for the death of an extreme right-wing French leader who was killed in a bomb explosion.

A communique issued by the group said it had acted "lest Auschwitz be forgotten" and that it had planted the bomb which killed Francois Duprat "because he was the author of a series of neo-Nazi pamphlets denying the existence of the (Nazi) concentration camps, gas chambers and crematoriums." It added, "Francois Duprat denied that six million martyrs have been murdered by the Nazis."

The communique ended by saying that "Duprat is the first neo-Nazi French leader to be executed by the remembrance commando on the basis of 'lest we forget Auschwitz.'"

Duprat, who was a candidate in the parliamentary elections on an extreme right wing list, was the author of several history books dealing with World War II. A history professor at the University of Rouen, he authored several works that tried to minimize the number of Jewish victims who died in Nazi concentration camps.

Duprat was killed on the spot and his wife was seriously wounded when a bomb exploded in his car as he was driving home from a political meeting.

### "Holocaust" is Fiction — Not True Story

On this page we reproduce the official press release from Bantam Books for the *Holocaust* book and TV show. Every night on the screen the Jews have proclaimed the program to be a "TRUE STORY!" Read this release closely and you will see where the Jew Green's book is called a *"novel"* and then an *"original novel"* and finally a story of *"two fictional families."* In other words, this is most definitely not a true story in any sense of the word.

When one considers that the Red Cross, *Guiness Book of Records* and all independent sources state that nothing like 6 million Jews ever died during World War II, this entire *Holocaust* series is a dastardly attempt to brainwash Christians with guilt so they will be totally subservient to the wishes of Jews who are now supposed to be everyone's hero!

You can help smash the big lie of the 6 million by ordering extra copies of *The Thunderbolt* for distribution. Also, we have the magazine-form book *Did 6 Million Really Die?* at $1 per copy and the in-depth, 400 page comprehensive study by Prof. Arthur Butz of Northwestern University entitled *The Hoax of the Twentieth Century*. It sells for $5 a copy and totally destroys the myth of the 6 million.

Order this material from *The Thunderbolt*.

The time has come for us to demand a balanced format and that TV time be given to a renowned professor like Arthur Butz to reply to the lies of the Jew "holocaust."

The NBC dramatic event is produced by Herbert Brodkin and Robert Berger for Titus Productions, and directed by Marvin Chomsky, who directed much of the recent television dramatization of Roots.

# Instill Guilt in Christians

### "Possessed by Holocaust"

On this page we reproduce a letter written by Jewess Sylvia Becker to the *Southern Israelite*. She inadvertently reveals to us the real reason for the continued promotion of the so-called "holocaust" is to make Christians become "possessed" with this feeling of guilt. We are supposed to beat ourselves and become masochists over this blatant 6 million hoax.

It should be remembered that the Jews have already been able to elicit statements from organized religious bodies that the Jews who live today cannot be held responsible for the death of Jesus Christ. Yet, at the very same time, the Jews tell us that Christians must share a common guilt for the 6 million dead Jews!

Sylvia Becker really let the cat out of the bag when she states that once Christians become *"possessed by the holocaust"* they will be *"possessed by a fine madness"* in which one will be totally pro-Jew, regardless of how they may take advantage of you!

In other words, this vast promotion is designed to silence all opposition to the Jews both here and abroad.

### "Hate Whitey" School Closed

**Detroit's** Department of Social Services has closed an inner-city child care center. It is charged that Leslie Spence and four other blacks working there were teaching the 77 students *"to hate the White Race."*

Mrs. Melinda Nelson investigated the case and said that a militant anti-White group called the *"Black Madonnas"* had infiltrated and taken over the tax-supported center.

## Christians active at conference

Editor:

At a recent conference on the church struggle and the Holocaust in New York, the most interesting thing was that the Jews were out numbered! It was sponsored by the National Conference of Christians and Jews, with the Holocaust as its theme. Of the 280 delegates from 27 states and 3 countries—the majority were Christian. How unbelievably uplifting. Pug noses, names like Fitzgerald, and crosses as pendants were the order of the day. But honesty was the star of the show.

Concerned Christians restructuring 2000 years of anti-Semitism being taught in the Church—concerned Christians accepting their guilt-thru-silence in the Hitler years—

Donald McEvoy, vice president of NCCJ, asking Christians to ask themselves "where were you when they took away the Jews?"

Terence Des Pres, handsome young non-Jewish professor at Yale who wrote the incredible book "The Survivors," talking of being possessed by the Holocaust—swore he would never do another book about it, reveals to us he is working on another book—subject, Holocaust.

Professor John Conway of the University of British Columbia giving a stunning report on a mountain of Vatican papers released only twelve years ago. Revealing the intricasies of the shameful stance taken by the Vatican in those years. And the Roman Catholic priest in the audience who stood up to tell of the shame he feels that his church has not recognized Israel.

And the Jews—they were wonderful! Prof. Lawrence Langer of Simmons College speakin of the frustration of the Holocaust author—the need for new words to describe the never-before-in-history indescribable. The audacity he feels at trying to relate what no one has the right to relate except a survivor.

Professor Irving Greenberg, of the City College New York, discussing Orthodox Judaism's response to the Holocaust with brutal frankness—giving great insight into the complexities and polarization within the Jewish people.

And then Elie Wiesel, addressing the largest crowd of the conference—movingly expressing a simple "Thank you" for you have now joined the loneliness and solitude of all who become possessed by the Holocaust.

I number myself among the possessed. The Holocaust is studied from many spheres of interest—historical, sociological, theological, psychological and more. But if you study, you become possessed. And all who are possessed by the Holocaust feel loneliness, solitude and a fine madness. But on March 5th and 6th, surrounded by 280 Christians and Jews, to paraphrase Elie Wiesel, I was less alone in my loneliness.

*Sylvia Becker*

## JEWISH DISEASES

According to a feature article appearing in the Tucson Daily Citizen, May 17, 1975, page 26, there are five genetic diseases that afflict Jews which do not afflict any one but Jews. The article lists them as follows:

**—Torsion dystonia: Macabre spasms and deformations of the limbs and trunk. Responds to brain surgery. Chance of occurrence: One in 440,000.**

**—Bloom's syndrome: Severe anemia and facial lesions coupled with stunted growth and a high incidence of malignant tumors. Fatal; only 45 cases reported in the medical literature.**

**—Infantile Niemann-Pick: Mental retardation, spleen liver enlargement. Fatal before the age of 3. Chance of occurrence: One in 100,000.**

**—Tay-Sachs: Accumulation of fatty substances in the brain cells. Fatal in second or third year of infancy; chance of occurrence: One in 5,000.**

**—Adult noncerebral Gaucher's: Extremely painful swelling of the joints. Nonfatal but no known treatment.**

This rather explodes the theory that there are no differences between the races.

### African Insanity In Philadelphia

MOVE is the name of a cult that believes in returning to the way of life that exists in Africa. Its 20 members and 10 children took over a Victorian house in Philadelphia. They are mostly black, but there are a few degenerate White race-mixers in their ranks. They dump garbage and excrement in their yard. Some 50 wild dogs in the fenced-in yard surround the building. Because of the unsanitary conditions and the fact that MOVE members threaten people who pass by with guns, the city ordered them evicted.

**Dick Gregory with John Africa, head of MOVE**

They are led by one negro named John Africa who says all his members have adopted the last name "Africa." They held off the police with guns and the threat to use explosives. The police failed to move in because they did not want to be the first to fire a shot. Negro Dick Gregory was allowed to bring in food and thus began a 10 month siege which has cost Philadelphia taxpayers some $1.2 million.

The raggedy MOVE members eat raw food, believe in natural childbirth, and bite off the umbilical cords of their newborn. All the men share all the women. When one baby died at childbirth, they shocked reporters by holding up the tiny corpse which was one month old. They do not believe in burying the dead (a long-time custom in Africa). They simply let the body rot away in the attic. The round-the-clock police surveillance costs taxpayers some $30,000 per week. Finally the exasperated police raided the house and arrested all on various charges. Mayor Frank Rizzo offered but one explanation: *"They are insane!"*

# Plot to Instill Self-Hate in Students Fails

### Fanatic Race-Mixer Mutilates Himself

**Virginia** Wesleyan College has a professor of political science named Richard Lapchick who has been waging a campaign for economic sanctions against South Africa. He had traveled with a large number of negroes and White race-mixers to Nashville. There they protested allowing the South African team at the Davis Cup tennis competition at Vanderbilt University. South Africa's team had one negro player on it, so it could not be called *"segregated."*

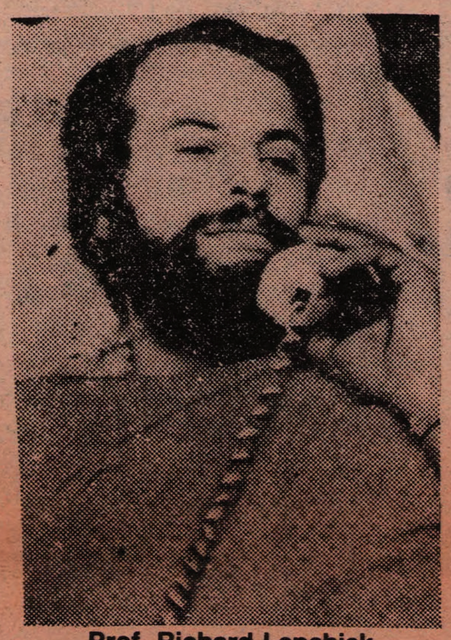
When Prof. Lapchick returned to his office in the Norfolk area, he claimed two *"White Racists"* attacked him. He said that they called him a *"nigger lover"* and beat him with clubs and a file cabinet drawer. He said that he was beaten senseless. Then the attackers took a pair of scissors and carved the word *"NIGER"* on his stomach.

Prof. Lapchick claimed that the White "rednecks" had misspelled the word nigger, and that he had suffered a hernia, kidney damage, possible liver damage and bruises and cuts on his face.

The news media obligingly flashed the story nation-wide but the story quickly evaporated when Dr. Faruk Presswalla examined him and said the superficial wounds were self-inflicted. None of the other injuries claimed was present. The nation's press carried the original story far and wide, but when police said they were not looking for anyone in the case, many newspapers did not mention this.

This case reminds us of the Lt. Gov. of Colorado who told a governor's conference that Whites had kidnapped him during World War II and carved the letter "K" on him. This also turned out to be a hoax. That was the letter all members of his negro college fraternity had carved on themselves during their initiation rites.

It is of interest to note that Prof. Robert E. Lapchick's father



**Prof. Richard Lapchick speaks to press from his hospital bed. Police exposed his hoax.**

is the notorious race-mixer Joe Lapchick who is head of the *"American Committee for Equality in Sport and Society."* Negroes dominate major sports in America today except swimming, golf, tennis and anything that takes mental concentration. That is why there are no first-string negro quarterbacks, centers or kickers in professional football.

As the twig is bent so the tree shall grow and thus the young Lapchick is the product of the warped mind of his fanatical race mixing father. Unfortunately Prof. Lapchick is still at his job teaching White boys and girls to hate their own race because we brought negroes here as slaves. He fails to inform them that we saved them from cannibalism, tribal torture, stravation, disease and an animal-like existence.

# Vast Physical, Mental Differences in Races

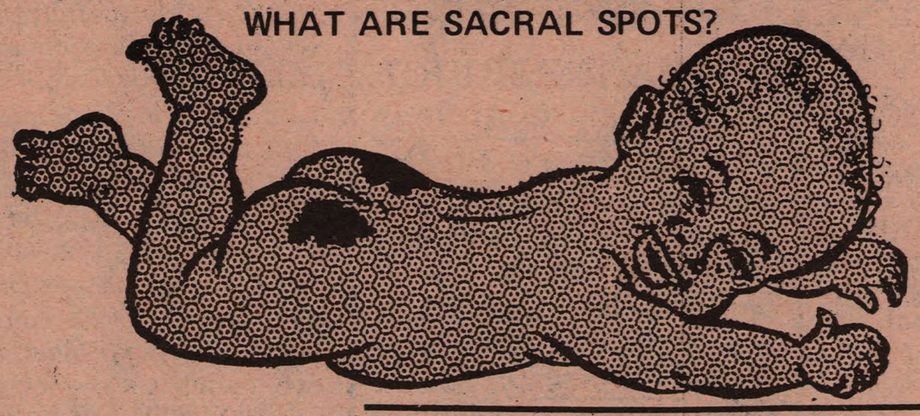
### Racial Differences

There are many differences which exist between the races that our children are not taught in school. Negroes have smaller brains than White people and fewer convolutions in the brain fissures, which scientists say means a lessened ability to learn. Their forebrain, where the intelligence exists, is much smaller in the negro.

They have different sweat glands than do Whites and emit a very different odor when they perspire. The negro skull is thicker, their arms are longer, they have almost no calf muscle, and their mouths have a primitive teeth setting.

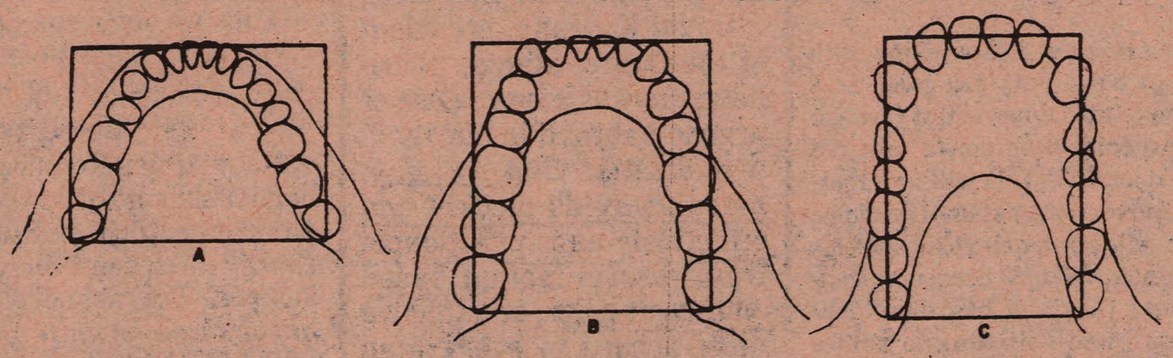
Their short, slanting forehead and jutting jaw does indeed remind one of the drawings we see of the prehistoric Neanderthal man. The famed Prof. Carlton Coon estimated that the negro is at least 300,000 years behind the White race in mental development.

### WHAT ARE SACRAL SPOTS?



90% of Negro and Mongolian babies have on their backs when they are born, dark brown spots varying in size. These are known as "Mongolian" or "sacral" spots. They disappear in three or four months. What these spots are and what causes them nobody knows. Can it be that they are atavistic, reverting to a primitive type — similar to the white spots which we see on the backside of monkeys at the zoo?

### ADDITIONAL EVIDENCE ON PHYSICAL DIFFERENCES BETWEEN RACES



White (77) Negro (116) Chimpanzee (145)

Additional evidence on physical racial differences published in *Nature*, vol. 228 by W.G. Kinzey, Department of Anthropology, University of California, shows that the lower jaws of Whites and Negroes differ enormously.

### THE FACIAL ANGLE

Intelligence can be gauged by the percentage angle of the frontal brain. In the Negro, the fore brain is restricted.

# One Racial Group Promotes Race-Mixing

By Dr. Edward R. Fields

(Below reprinted from "Jewish Week" of Jan. 22, 1978)

## Help for Blacks seeking careers urged by Jews

The presidents of the American Jewish Committee and American Jewish Congress have called for increased efforts at the junior and senior high school levels to help Blacks prepare for medical and other professional schools.

Such measures, said Richard Maass of the Committee and Rabbi Arthur Hertzberg of the Congress, would be far more effective than any restrictive quota system in admissions in moving toward "the goal of more Black physicians, lawyers, and other professionals in our society."

In issuing their call, the two Jewish leaders referred to a recently published study by two University of California scientists that concluded that the pool of qualified Black applicants for medical schools was drying up and that "affirmative action program at the college level are not enough to remedy the educational gap for minority candidates."

The study, by Dr. Robert Mishell and Dr. Boyd Sleeth, said that "the key to affirmative action lies in increasing the pool of qualified Black applicants to medical schools. Effective programs for Black high school students are essential to correct Black under-representation."

### Scholarships For Race Color

**NAACP** Legal Defense Fund head Jew Jack Greenberg has announced that two of the nation's largest tax-exempt foundations will provide college scholarships for black students, even though the students are not scholastically eligible under normal programs. Greenberg said that the Carnegie Foundation would give $960,250 and the Rockefeller Foundation $300,000.

This will pay the tuition for 375 blacks who will attend law schools in Southern states. The NAACP maintains that there are not enough black lawyers in the South to represent their own race.

But wait! Isn't the NAACP supposed to be against "racism?" Using funds from two liberal foundations to help blacks only is an anti-White policy when you consider the many White families who cannot afford to send their children to college because of skyrocketing costs. At one time race-mixers told us to be color blind, but today they say that we must put the colored people of the entire world first and our own kind last!

### "Half Doctors" To Treat You?

**Socialized Medicine** is said to be but a few years away and preparations are now underway to provide for the severe shortage of doctors that this program will create. European countries have found that huge numbers of people with minor, or imaginary complaints will crowd into medical centers and make it difficult for those who are truly ill to receive treatment.

(Below reprinted from "Baltimore Afro-American")

## CBS donates $50,000 to NAACP fund

NEW YORK — Columbia Broadcasting Service, Inc., CBS, has awarded $50,000 in support of the general scholarship and fellowship programs of the Earl Warren Legal Training Program, an educational affiliate of the NAACP Legal Defense and Educational Fund, said Jack Greenberg, the fund's director-counsel.

In accepting the funds on behalf of the Warren program, Greenberg said, "The CBS grant will help increase the number of black lawyers serving in the interests of the black community."

He explained the grant would be used to provide financial aid for students chosen as Earl Warren scholars and to help provide fellowships for top ranking law school graduates who would receive additional training in civil rights law from the Legal Defense Fund.

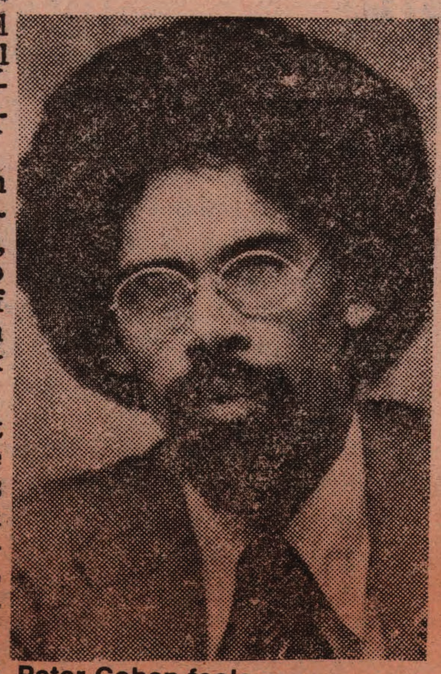
Commenting on the growth and effectiveness of the program, Greenberg said, "We initiated this undertaking to encourage blacks to enter law schools and practice where there are few or no black lawyers serving in the community.

"Increasingly, graduates and former fellows associated with the Warren program are assuming a key role in the Legal Defense Fund's ability to move the law forward on large public issues of national importance."

The tax-exempt Commonwealth Fund of New York has given $1.8 million to the University of Chicago for a special program to turn out "half doctors." This will be a four-year course on the basics of medicine which will not require said students to take state medical licensing examinations. They will be called "half doctors" and will work in clinics and hospitals receiving patients. The program will be geared for minorities who are described as *"deprived inner-city urban dwellers,"* which, of course, means negroes.

What this all means is a general lowering of medical standards in the future. Already our hospitals are filled with Asians from India, Pakistan, Bangladesh and other worldwide slums. They are accepted as interns despite the fact that they are unable to pass state licensing exams.

Jack Greenberg receives $25,000 gift for NAACP Legal Fund from Marshall Johnson, head of negro shriners.



Peter Cohen fools many negroes into thinking he is one of them with his "Afro" hair-style. This Jew heads the NAACP Historical Documents Project

## S. Africa Jews hit apartheid

JOHANNESBURG — The South African Jewish Board of Deputies by unanimous vote earlier this month condemned apartheid. The action by the board, which represents South Africa's large Jewish community, has received little or no publicity in the Western news media.

David K. Mann, president of the Board, stated, "I believe there is a new sense of urgency abroad in our land, a realization that we must move away as quickly and effectively as is practicable from discrimination based on race or color, and that we must accord to every man and woman respect, human dignity and the opportunity to develop to their fullest potential."

Nearly all observers in South Africa and abroad regard the Board's action as a highly courageous one: the ruling Nationalist Party of Premier Balthazar J. Vorster is filled with anti-Semites and pro-Nazis.

### Jews Chief Promoters of Race-Mixing

*The Thunderbolt* has over and over again documented the fact that the Jews are the chief force promoting racial integration in America. As detailed in another article in this issue, we show to what extremes the Jews are going to keep their own kind from marrying Gentiles. They are even now forbidding Jews to go to dances with Christians and boycotting mixed weddings. At the same time, Jew organizations are going all out in promoting school integration, job quotas for blacks, and are raising money for race-mixing between White Christians and negroes.

The NAACP has had a Jew as its president from the time of its founding until last year when a negro took over. The NAACP legal defense Fund is still run by the Jew, Jack Greenberg. He has held this position since before 1954 and has personally been the primary moving force behind every school integration and forced busing lawsuit that has gone to the Supreme Court.

On this page we reproduce an important article out of the country's largest negro newspaper, *The Baltimore Afro-American*. It states that CBS, owned by the Jew William Paley, has given another $50,000 to the NAACP to send more negroes to law schools so that they can be *"trained in civil rights law."* Greenberg states that this is a big step forward in what can only be described as a vicious anti-White campaign to force more unnatural mixing of the races.

*Jewish Week* of Jan. 22, 1978 states that it is the duty of Jews to promote *"affirmative action"* programs to help make more lawyers and doctors out of blacks because they are *"under-represented"* in these fields. (Note: The reason is that they are not qualified for those jobs.)

### Attack on South Africa

*Communist Daily World* newspaper of Jan 29, 1977 stated that the South African Jewish Board of Deputies has "condemned apartheid" which maintains the separation of the races in that country. The Communists, who are outlawed in South Africa, run an underground terrorist movement (the African National Congress) that has incited a number of serious black revolts against Whites. Harry Oppenheimer, one of the richest Jews in the world due to his control of South Africa's gold and diamond mines, has used his wealth to incite blacks against Whites and has in the past been chastised by government leaders for doing so. This is further evidence that the Jews are working with the Communist Party to depose White rule in Southern Africa. It should also be noted that the Jew, Carl Winter (Weinstein) is the editor of *The Daily World*. The owner of that paper and chief theoretician of the U.S. Communist Party is the Jew, Herbert Apthecker.

NAACP has announced the formation of their new "Historical Documents Project" which will record the history of that organization along with *"accounts of how racism once operated in this country."* Prehaps they will mount a stuffed Whiteman in a glass so that mongrels in the future will be able to see what the White Race once looked like. The head of the NAACP Historical Documents Project is not a negro, but the Jew Peter Cohen pictured on this page.

All the Jew members of Congress have formed a committee to create a "Martin Luther King Memorial Forest" in so-called Israel. Jew Max M. Kampelman of Washington is chairman of the group and states that 10,000 trees will be planted in the Galilee area in honor of King, and Christians are asked to contribute towards the project. Later the trees will be used in Israel's pulp industry so they will make money off the project in the end.

Rep. Sidney R. Yates of Illinois, dean of the Jew Congressmen, said that King was always a friend of Israel and once stated: *"Israel is one of the greatest outposts of democracy in the world, and a marvelous example of what can be done, how desert land can be transformed into an oasis of brotherhood and democracy."* (Note: Neither of these two claims has as yet come to pass in Palestine. But King was interested in seeing "democracy" work in America as it did in "Israel," by driving the Whites out like the Arabs have been removed.)

Thus we see just a tip of the iceberg of Jewish domination of the civil rights movement. We will continue to expose this "hidden hand" behind race mixing in future issues of The Thunderbolt.

### Mixed Weddings a "Fifth Column"

Rabbi Irving Rosenbaum of Chicago has issued one of the strongest condemnations of Jews who marry Gentiles that we have ever read. He charged that they are creating a "fifth column" within Jewish ranks which can eventually undermine and destroy Jewdom if not stopped. The rabbi declared: *"I cannot contain the vehemence of my anger at the malaise which mixed weddings are being accepted."*

Rabbi Rosenbaum urged Jews not to accept invitations to such weddings and even make their opposition so vocal that they will not even be invited in the first place. He added: *"At this point I become so violent when I hear of Jews attending such weddings. What is any Jew who believes in Jewish survival doing there? I say don't go, even if you risk incurring the wrath or even contempt of your friends and family. If you don't heed my counsel, you risk incurring the judgment of history which will label you a fifth columnist."*

Rosenbaum said that it is a tacit endorsement of mixed marriage when there is no *"implicit condemnation, let along stigma attached to a mixed marriage. The younger brothers and sisters of the Jewish bride or groom are likely to walk down the same kind of aisle."*

# Brock Thinks Jackson Can Save GOP

## Churches Spread 6 Million Hoax

### Corre Ten Boom Religious Faker

One of the most dangerous individuals on the evangelistic circuit today is a women from Holland named Corre Ten Boom. This elderly women goes around claiming to be a "born again" Christian but during her talks she dwells on only one subject - her *"terrible experiences in German concentration camps trying to save Jews from the gas chambers."* The big hole in her story is that she served a short stint in the Ravensbruck Camp, which even

Corre Ten Boom

holocaust advocates admit was only a detention camp. Corre is about the only person who states that it was a *"dread Nazi death camp."*

There are other strange oddities to Mrs. Boom's tale. Her book, *The Hiding Place*, is similar to the Jewish best-seller, *The Diary of Anne Frank*. Both take place in Amsterdam. Both "heartthrobbing" themes have a Jewish family hiding in an attic . They quarrel, fall in love, have all sorts of human interest problems just like any soap opera. Both feature the *"terrible Nazi sirens"* screaming all over the streets as they search for the *"poor persecuted Jews."*

*Ann Frank* was revealed as a hoax when the novelist who wrote the book successfully sued the Frank family for cheating him out of his part of the profits. We are convinced that *The Hiding Place* is also Corre's fiction copied from *The Diary of Anne Frank*.

Could Corre Ten Boom even be a Jewess? Jews take the names of flowers and precious metals. Boom means "Tree" and is a shortened version of Tenenbaum or Apfelbaum, all of which are commonly used by Jews. By all means warn your Christian friends to beware of the anti-German hysteria which the Jews are building against Germans and all Christians in America.

Unfortunately, many naive Christian ministers have been misled into becoming a part of this vicious drive under the guise of thinking that they are "spreading Christianity." What they are really doing is spreading anti-Christian Jewish propaganda.

"Rev." Jesse Jackson

### Will Jesse Jackson Wreck the GOP?

Sen. William Brock, chairman of the Republican National Committee, recently had negro civil rights leader "Rev." Jesse Jackson as keynote speaker before that group. Jackson called for more jobs for blacks and told the Republicans that if they had nominated negro Sen. Edward Brooke for Vice President, then Ford would have won the election. He was given a standing ovation.

Sen. Brock failed to tell his people about the radical background of Jackson. The negro campaigned hard for Sen. George McGovern and promotes a *"redistribution of the wealth"* program which would cost White working people $61 billion. McGovern and Carter both received some 90% of the black vote and there is no way Jesse Jackson could deliver this to the GOP even if he were sincere.

Still, the GOP is sacrificing any chance it ever had to win the White working class voters because the party continues to run after the negro bloc which it can never get and this alienates White voters. The Republicans also help the Democrats with school quotas and job discrimination against Whites.

### Back to South Carolina

The truth is that Jesse Jackson has lost his political base in Chicago and is now seeking greener fields elsewhere. Thus he has journeyed to his home state of **South Carolina.** Jackson says he will open an office for his PUSH group in Columbia. He is backing a suit to force S.C. to accept negro school teachers who have failed the state's qualification test. Last year only 3% of the negroes who graduated from college passed the S.C. teachers' exam. Both the Justice Department and the Equal Employment Opportunity Commission have joined the NEA in urging a lowering of S.C. standards to admit more black school teachers.

Another Jackson demand is that the news media hire more blacks. He says that of the 40,000 journalists in the U.S. today, only 1,700 are negroes. Jackson demands that 2,300 more be hired. He says that the news media discriminates against blacks - well, that's new to us! We also see plenty of black faces on TV giving the news and it is always slanted against White people.

The GOP had better give a second thought to this plan of using Jesse Jackson to corral the black bloc vote for the GOP. It will not come about and will only turn away Whites again. No wonder there is growing support for the National States Rights Party throughout America.

## White Birth Rate Drops

### Busing Lowers White Birth Rate

**Los Angeles** has ordered the busing of over 100,000 White children in the grades 4 through 8. The reasoning being that parents with very young children protest violently against the busing of the very young, and that the other children are capable of physically fighting back.

Forced busing has resulted in a rapid shift of many Whites moving out of the city. It is now said that downtown Los Angeles looks just like Tijuana, Mexico!

The Rand Corp. made a study of the problem. Dr. David Armor and Dr. Howard Freeman were in charge. They found that 35,000 families with some 58,000 school age children would move out of the city by 1980 if forced busing goes as planned. The big surprise of the study was that a sharply lower birthrate for Whites would occur. The reason being that those remaining in the city pay high tuition to send children to private schools. Thus they will not be able to afford more children. Also, the exodus has caused a skyrocketing of home prices in the suburbs and this greater cost will force the Whites to have fewer children.

## Only White Racism Bad?

### Charges Racism is Mental Illness

Howard University negro Professor Francis C. Welsing charged at a Chicago mental health conference that *"White racism is the No. 1 cause of mental illness in America. He said that failure to understand racism is like failure to understand fire. The racist system's reason for existence is to keep White genetic survival intact."* He did not condemn negro racism or Jew racism. But his last sentence is absolutely correct. If we do not have White racial pride and integrity, then we will cease to exist as a separate race. Racism is what keeps our race intact and prevents interbreeding with the lower black races and the similarly inferior colored races. The time has come for one and all to realize that the White Race has a God-given right to preserve its own distinctive kind and must never fall into the death trap of mongrelization which has destroyed so many civilizations in the past.

## One Family Fights

### Fight Mixed Swimming

**Chicago's** Argo High has a heavily negro student body. A young White girl's parents are opposing her being foced to attend mixed swimming classes. She is Cynthia Forrest, 14. The parents state that they oppose the swimming classes because of their religious beliefs. They quote the Bible which states *"...thou shalt not uncover her nakedness..."* (Lev. 18:6-7)

An Argo School official said *"She had better show up and swim or she's not going to pass and not going to graduate without 4 years of PE."* Race-mixing is the very worst abomination in the world and must be fought with every means at our command and we pray that this family will be successful in doing their best to protect their young daughter.

**Mexicans** make up the largest bloc of Los Angeles students at 38%, Whites 34%, negroes 24% and Asians 4%. It is estimated that California as a whole will be majority colored by 1990. Whites must organize quickly to stem this tide.

### Not Another Roosevelt!

Mark Roosevelt, 22, is a distant cousin of FDR. He says that his name makes people listen to him. Mark is a Harvard student and son of Washington lawyer Kermit Roosevelt. He describes himself as a *"liberal, left-leaning Democrat."* (Note: Why is it that the children of most rich intellectuals are Marxists?)

The new young Roosevelt says: *"I want to be a politician. I've got real goals: to make the myth of equal opportunity less a myth; to look toward some means of redistributing wealth."* They never want to redistribute THEIR OWN wealth, but instead they want to redistribute the White working class taxpayers' wealth through bigger chunks of withholding taxes to be ear marked for welfare benefits.

### TV Blamed for Lower Standards

A report just published states that children must read books if they are to develop reading and verbal skills. Most youths now spend all their spare time viewing TV and do not read any books at all.

New York State's College Entrance Examination Board reports that high school student "Scholastic Aptitude Test" scores dropped an average of 10 points in verbal ability and 8 points in math during the past year. This is the 13th year in a row that the test scores have fallen. At this rate we will be a nation of illiterates within just a few more years. TV and school integration are the reasons for this problem.

### DID YOU KNOW?

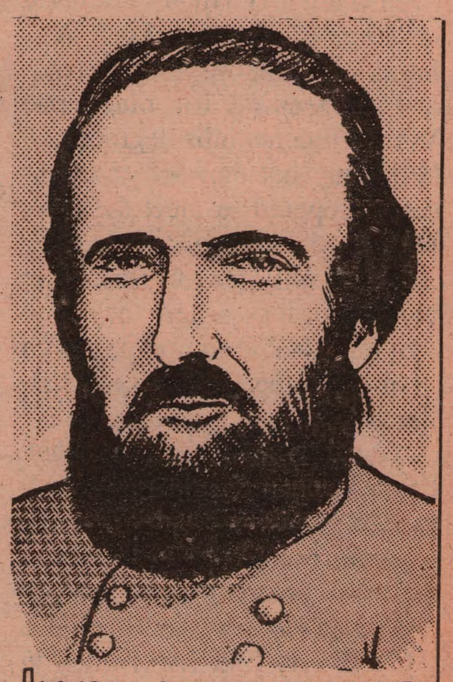
ONE OF THE SOUTH'S GREATEST MILITARY LEADERS WAS

**THOMAS J. "STONEWALL" JACKSON.**

HE BELIEVED THAT "DEFEATS WERE THE RESULT OF HUMAN ERRORS, VICTORIES WERE GIFTS FROM PROVIDENCE." WITH 17,000 MEN, HE DEFEATED 60,000 UNION TROOPS IN A SERIES OF BATTLES.

JACKSON DIED 8 DAYS AFTER BEING MISTAKENLY SHOT BY ONE OF HIS OWN MEN AT NIGHT. HE WAS 39.

HE TAUGHT AT V.M.I FROM 1851 UNTIL 1861.



JACKSON GOT HIS NICKNAME FROM GEN. BEE WHO NOTICED HIM STANDING FEARLESSLY IN FRONT OF HIS TROOPS, "LIKE A STONE WALL."

# Racial Integration Destr

### "Virginia Will Fight Quota Extremists"

Sen. Harry F. Byrd, Jr., is one of the few U.S. Senators left with the guts to stand up for the rights of the White majority. On Feb. 8th, he addressed members of the Virginia State Legislature and denounced HEW Sec. Joseph Califano as *"an extremist, a formidable federal czar"* for his new guidelines for the integration of colleges.

Sen. Byrd stated: *"I think Virginians are not reluctant to fight might-when might is attempting to dictate racial quotas. Do not be deceived by fancy, high sounding words, of college integration guidelines that Mr. Califano uses. The end result is still quotas. He is demanding the scrapping of admission standards based on merit and would substitute the concept of quotas. This is an example of what to expect when power is centralized."*

The speech was given a standing ovation at the legislative banquet. Virginians are well aware of what is happening to Richmond schools which are now 85% black and Norfolk schools which are 65% black since forced integration began.

The shifting of black population has also exacerbated this problem. Many are moving out of Washington to escape the violent crime of their own race.

**Sen. Harry F. Byrd, Jr.**
**One of our best senators**

**Alexandria, Va.,** and surrounding Prince George's County have black majorities in 85 schools. Federal courts ordered busing in 1973 requiring all area schools to be at least 10% black. Before 1973 Prince George's school system had 46 mostly black schools - today this figure has almost doubled. Since 1972 some 40,000 White children have left the school system while some 16,314 blacks have moved in, mostly from Washington D.C.. During the past six years some 89,000 black adults have moved into Prince George's County. Most of them are younger blacks with small children who have fled Washington. Their small children will soon be packed into the local school system, making it even worse for the remaining Whites.

Accompanying the black population growth is a 28% increase in assaults in schools. Last year there were some 850 assaults with 150 of them against teachers in Prince Georges County. One school official stated: *"Discipline is the main problem! The climate for education in schools has changed. My God, the situation borders on terror!"*

In over 100 of the attacks, weapons were used and in 79 cases teachers were attacked by two or more black students. Admitting the problem really arises is writer B.D. Colen of the "Washington Post" who reported:

*"There has been a marked increase in assaults since the implementation of an integration plan for county schools in February, 1973, and beginning of widespread busing, the records indicate."*

### Proof School Mixing Hurts Whites

It has now been 24 years since the Supreme Court ordered racial integration of our nation's schools. This has given scientists enough time to study the effects on our educational program.

From coast to coast come reports of falling standards in our schools. The following are recent news releases which, taken as a whole, show the growing chaos and deterioration in our public schools:

**Florida's** Department of Education has discovered that in mostly negro counties, a majority of students fail the state literacy test. On the other hand, in predominately White counties, a heavy majority pass the tests. The study was designed to discover how many students have mastered the reading and math skills needed to survive in the everyday world.

In mostly White counties, such as Brevard, 25% failed. In Santa Rosa 21% failed. In Sarasota the rate was 26% and in Seminole 25%.

In negro dominated counties such as Gadsden, which is 79% negro, some 69% of the students failed. In Duval the failure rate was 45%, in Hamilton 60% and in Dade County 42% failed.

In White counties it was the blacks who made up the failure rate, which would have been near zero had there been tests with White children only. The White minority in black schools passed, but with lower scores than Whites in mostly White schools. This conclusively proves that when Whites are forced into integrated schools the educational standards are lowered to such a degree that Whites are deprived of the opportunity of higher achievement. The school process is geared to the pace of the large body of "slow learners."

### Whites Are Blamed for Negro Failure

Berkeley Professor John U. Ogbu, a black immigrant from Nigeria, told the 10th anniversary meeting of the Kerner Commission in New York City that a *"caste-like racial system"* exists in the nation's schools. Prof. Ogbu says that since blacks know they face *"bleak futures in the job market, discrimination in health care and housing,"* this discourages them from improving skills and attitudes for learning.

Ogbu issued a 410-page study he made following the late Gov. Otto Kerner's 1968 finding that *"White Racism is largely to blame for black retaliation to injustices in the form of looting, burning and physical attacks upon Whites."* Prof. Ogbu, whose study was financed by the tax-exempt Carnegie Foundation, stated that *"little has changed in the lives of American minorities during the past decade."*

### Mentally Retarded or Slow Learners?

**Jacksonville, Fla.** schools are 30% negro. Yet some 75% of the "slow learners" (EMR) are blacks, as are 52% of the mentally retarded (TMR). The pro-integration Community Relations Commission of Duval County has protested the fact that this large number of blacks has been taken out of regular classes and placed in special programs apart from other children.

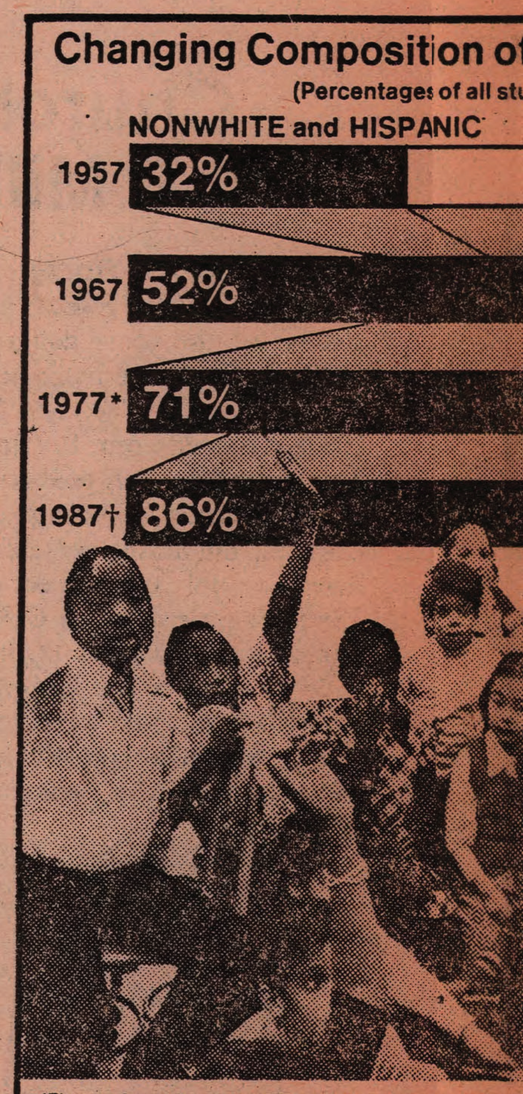
The negroes demanded that the EMR students be separated from the TMR retarded students. Dr. Charles Cline and Dr. Richard Downy of Duval's special education department stated that it was very difficult to determine exactly who is mentally retarded and who are the slow learners. He said that normally those with an IQ below 69 are considered to be slow learners (EMR) and that those between 50 and 55 are the mentally retarded (TMR).

Dr. Cline said that it is often difficult to determine which are TMR and which are EMR. He found that the difference is often so slight that the answer remains in doubt. He said the fact that so many blacks fall into this category is unfortunate and is most likely caused by their being *"culturally deprived"* (!)

At the same time all educational tests given by the U.S. Armed Forces and other branches of the government, including HEW (The Coleman Report) have found that the negro, on the average, scores from 15 to 20 points lower than the White on every level, including economic and regional. This is a simple fact of life which our nation's school systems refuse to recognize.

The time has come for one and all to face the truth that racial integration in our schools has been an educational disaster for both blacks and especially for Whites. Whites are being deprived of their right to a decent education because so-called social scientists insist on continuing this experiment on our children. This has caused many a White child to drop out of school in frustration or even for fear of the blacks.

The time has come for common sense to reign and for the races to be separated in our schools once again. The National States Rights Party has stood for White schools for Whites and black schools for blacks ever since the 1954 Supreme Court decision.



(Figures for whites in 1957 and 1967 include a very s than black and Puerto Rican.)

# Violent Negro

### New Jersey Hides Negro Student Records

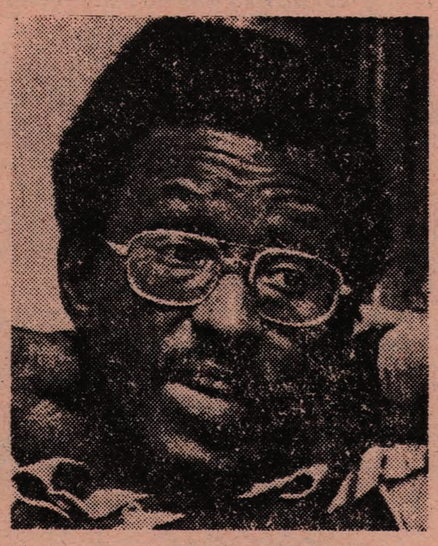
The three most northern counties of New Jersey have very large Jewish populations. Bergen County has 130,000 and Essex County has 120,000 Jews. Most of them fled New York City due to the negro problem and still work across the river or have business investments there. For some strange reason Jews have long been the dominant force in the program to mix White Christians with negroes. (See "Jews Promote Race-Mixing " in this issue.)

Jews are very active politically and a higher percentage of them vote and give money in political campaigns. Thus they occupy New Jersey's political positions far out of proportion to their numbers in that state. They are very powerful in appointed state jobs, including judges and educators.

# Negroes Fool Selves

### Charges Blacks Cheat Themselves

**Philadelphia's** Temple University Prof. Walter E. Williams (a negro) charges that the practice of giving blacks passing grades even when they fail is *"dishonest and harmful to blacks."* Williams says that this double standard of grading for black and White students lulls negroes into believing that they are academically prepared to meet the challenges of the business world. This can only lead to frustration and bitterness when they find they are unable to compete with Whites in the future, said Williams.



**Prof. Walter E. Williams**

Temple dean of students, Jew Prof. Seymour L. Wolfbein, admitted that this practice of *"grade leniency"* toward blacks did indeed exist. He said that one White professor would give a "C" to any black student who *"appeared to be taking notes in class"* even though he failed his tests. One problem is that many firms seeking to meet black hiring quotas will employ the negro with a university degree over a White with superior skills. Often such blacks become "locked in" to the seniority system and cannot be fired even though most of their work has to be done by Whites.

Thus many firms have been forced to pad their payrolls with non-producing black employees. Since Whites must be hired to do the work, the extra cost of this "padding" is passed along to the consumer in the form of higher prices. This is especially true among government workers where thousands of blacks have been hired who are, for the most part, incompetent or simply refuse to work. They cannot be fired under present Civil Service rules and so become parasites on the backs of the taxpayers. Such a system leads to an ever-expanding bureaucracy with fewer people turning out real production.

In other words, they want have ''clean'' records regard- ss of how much trouble they ay have caused in school.

Jewess Katherine Neuberger, epresenting the Board of Higher ducation, backed up Burke and ave the excuse that sometimes eachers take severe action gainst an *''innocent child on a him''* and give them a bad re- ord. Thus all such records will e purged so that the background f a student will not be known.

Burke also told the N.J. State oard of Education that there are

## New York's Schools Are Dead

### New York School Terror

New York City pays the highest wages in the country, but has over 2,000 jobs open right now. However, there are no takers. Frank Arricale, Personnel Director for the Board of Education, says he is worried.

*''No one wants to teach in the city anymore. Children have become hostile and there's a lot of violence, especially against teachers.''*

On Jan. 4, a 15 year old child, Michael Kittrell, was stabbed to death in a hallway of the John Adams High School. He was murdered after a surly black asked him, *''What are you looking at?''* In 1977 there were 2,402 assaults reported in the New York City schools, up from 2,385 the year before. On top of this, there were 11,382 incidents of fires, thefts, and vandalism, up from 10,896 the previous year.

In other words, our schools have turned into violent, wild, African jungles just because no one has the courage in Washington to stand up and demand an end to racial integration. Separation of the races is absolutely the only way to bring back peace, tranquility, and education into our schools. Why should our children continue to suffer just because fanatical race mixers in the courts, churches, and in Washington demand that our White folk be sacrificed on the altar of the false god ''racial equality?''

**New York City** once had one of the nation's finest school systems. Today it lies in shambles. White parents are fleeing the city by the thousands as black and negroidal Puerto Ricans terrorize the remaining Whites in the schools. Dr. Irving Anker states that once a school becomes 40% black, it has passed *''the tipping point''* and quickly becomes all black.

For this reason Whites are fleeing to Staten Island, Northern New Jersey, Long Island and Connecticut. Those remaining are the rich who send their children to Jewish Day Schools or other private schools.

Ira Glasser, Jew head of the N.Y. Civil Liberties Union, spent $25,000 from the tax-exempt New York Foundation to try and find a way to stem the tide and the results show that there is no solution. On this page we show how New York's present school system is today 71% colored and it is rapidly moving toward 86% colored by the year 1987.

### Teachers Quitting

During the past three years an astounding 7,000 teachers have resigned from New York City schools. This has led to a drastic teacher shortage which cannot be filled. Thus, remaining teachers must double the size of their classes to as many as 80 students in one room. Naturally, pandemonium reigns supreme. This desertion by school teachers began when federal courts ordered White teachers transferred to colored schools.

At one time nearly 40% of all New York City teachers were Jews. Samuel Bayor said that they should not have to teach in negro schools because they had not been taught the *''special skills required of a teacher dealing with culturally disadvantaged children.''* This complaint was not voiced by the Jews when teacher transfers were ordered in Chicago, Louisville, or Atlanta. There was no great outcry in the press when White Christian teachers were forced to leave their jobs due to fear of negro student violence.

New York's School Board #26 voted to refuse federal funds for minority children in their school. This majority White

across the nation then you begin to realize that our educational system is breaking down. This country cannot long survive if this decay is allowed to infect all of our schools.

## Chicago Will Not Surrender

### Chicago Time Bomb

The City of Chicago has been under court ordered integration guidelines for a long time but to date the school board is still afraid to impose them. White people in Chicago, Cleveland, and Philadelphia have taken such an adamant attitude that they are simply not going to surrender their children to the whims of the race-mixing extremists. The government is actually afraid of the Whites.

New ideas of how to integrate Chicago schools without setting off a White peoples' revolution abound in liberal circles. Chicago has the third largest school system in the nation. Whites have been steadily moving out of the city to the all-White enclaves of suburban communities which surround the city. The schools are 60% black, 25% White and 14% Latino. At the same time, some 15,000 White children have moved out of the city since 1975.

Still, only 25 of the city's 440 schools are considered ''desegregated.'' In all the rest of the schools one of the three racial groups is a heavy majority. Federal ''guidelines'' ordered at least a 15% racial minority in every school. Thus far the Whites have been quick to fight back with all the power at their command when faced with school mixing in Chicago.

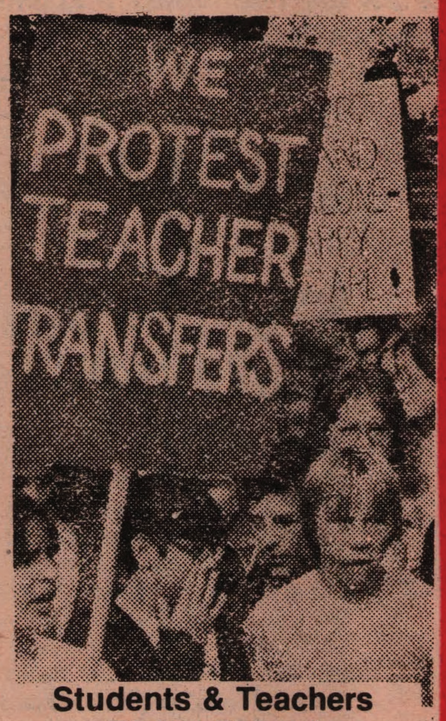
The new ''Five Year Plan'' calls for the integration of 300,000 students by 1981 in Chicago. This is to be accomplished by the following methods.

---

school was angered over the provisions of the federal request which would make funds available only to negro students. This so infuriated Whites that they voted down the federally required *''racial composition reports''* needed for the grant money. They charged that the program discriminated against White children who would not be eligible for the work program.

**The Communist Party** of Queens officially protested to Borough Pres. Donald Manes on March 9 that the School Board #26 act was ''White Racism'' which must be aborted. Jew Public School Chancellor Irving Anker threatened to suspend Board #26 unless they agreed to the program which would allow the city to obtain $6.2 million in federal funds for *''environmentally disadvantaged''* children - meaning coloreds.

Thus the march for race-mixing and discrimination against Whites continues, but at least we can see the light of day when Whites resist in Queens, New York, Chicago, Cleveland and other cities.



**Students & Teachers Picket School**

**Chicago** has had some 2,000 White teachers transferred against their will to black schools. Many have quit in protest. Last fall massive demonstrations against this program tions against this program erupted in Chicago schools.

Bogan High had a 95% student turn-out for a *''We Want Our Teachers''* picketing of the school. Some 70 teachers joined the 2,500 students. They carried signs proclaiming: *''Why Disrupt Our Schools,''* and *''Our School Will Go Downhill With Inexperienced Black Teachers.''*

With the federal threat to withhold some $85 million in school funds, many of the teachers have been transferred.

---

1) Busing 6,000 ''inner city children'' (negroes) to schools in the White suburbs.

2) Building 88 huge ''cluster'' or ''magnet'' schools from which children of the three races would be required to attend after their neighborhood schools are closed down.

3)Giving financial aid bribes to White suburban parents who will force their children to be bused into Chicago ghetto neighborhoods.

If these proposals do not work then stronger measures will be undertaken. We guess this will mean using the U.S. Army like they did at Little Rock and the Univ. of Mississippi. Little Rock High is now all-black and so will be the rest of Chicago if the race-mixers go that far.

### Ivy League Schools Seek Black Students

The prestigious schools, such as Harvard, Brown, Dartmouth, Yale, MIT, etc. in New England reject the applications of some 60,000 White students each year. An even higher percentage of Whites will be turned down in the future because this fall Ivy League colleges will accept 1,500 negroes who are otherwise not qualified. The day will soon come when the degrees from such prestigious institutions will not be worth the paper they are written on.

## STONER FOR GOVERNOR

### The White People's Candidate

Elect J. B. Stoner Governor of Georgia in 1978 and he will do everything in his power to bring about the repeal of Gov. Busbee's new state civil rights law which is known as the "Fair Employment Practices Act." Busbee's civil rights law discriminates against Whites in the hiring and promotion of state employees. Stoner must defeat Busbee on August 8, 1978 or Gov. Busbee will likely ram more civil rights laws through the General Assembly. White racist J. B. Stoner says that all discrimination against Whites must stop.

It is disgraceful that so many members of the Georgia State Senate were frightened by Busbee and the Black Caucus into voting for the Busbee bill. Most did not want their constituients to know how they voted on this Anti-White measure on March 7th.

Therefore, we list below all State Senators who voted for Busbee's "Fair Employment Practices Act."

The blacks are already registered heavily to vote. All loyal White citizens are urged to register to vote and to get all of their friends registered as soon as possible. To elect J. B. Stoner, there must be a large march of White voters on the polls.

White racist J. B. Stoner is the only candidate for Governor who takes a stand AGAINST RACIAL INTERMARRIAGE; the only candidate who is opposed to surrendering our Panama Canal; the only candidate who is against ERA; the only candidate to take a 100% stand against all antigun legislation; the only candidate to take a stand against the creeping taxation of houses of worship that is being done by some cities in the name of assessments. When elected Governor, J. B. will veto all appropriations for Busbee's "Office of Minority Business Enterprises" which discriminates against White businessmen.

Elect White racist J. B. Stoner Governor and he will do everything in his power to protect and restore the rights of the White people. Discrimination against White people by the Federal and State Governments must be stopped. Stand up for your own rights by voting for and electing J. B. Stoner in 1978. Stoner loves the White Race!

### Stoner Versus Busbee

Governor George Busbee of Georgia is running for re-election this year. National States Rights Party Chairman J.B. Stoner is his chief challenger. Busbee is running with the support of the minorities and vested interests. Busbee likes the Jews and is one of their puppets. He appointed Jew Arnold Shulman to the Georgia Court of Appeals and Jew Irving Kaler to head the State Ethics Commission, a commission that has since had its name changed.

### Busbee and the Blacks

Busbee is one of the worst race-mixing governors in the history of Georgia. During the past winter, the SCLC, which was founded by Martin Luther King, Jr., held a national convention in Atlanta and Busbee was there to welcome them. He often speaks at NAACP meetings. In January of 1978 the negroes met for five continuous days at the so-called church which is pastored by M.L. King, Sr. They worshipped the dead "Martin Lucifer Koon, Jr." for those five days and evenings and Governor Busbee personally went to the Ebenezer Church to join with the negroes in worshipping - all in celebration of the birthday of King.

Gov. Busbee disgraced the decent White people of Georgia when he rendered homage to King, who did so much to harm out White Race. Like Jimmy Carter and Andrew Young, Gov. Busbee thinks that the evil civil rights movement is the greatest thing that ever happened in America. Busbee is an admirer and follower of King, Jimmy Carter and Andrew Young. Carter and Young are among Busbee's best friends.

### Busbee's Civil Rights Legislation

Gov. Busbee established an "Office of Minority Business Enterprises" and he and the Black Caucus got the General Assembly (legislature) to fund it with a total of $143,000 to be administered by the University of Georgia. That office will help negroes get contracts with the state government and then do their bookkeeping and tax work for them. This is rank discrimination against White businessmen and makes third-class citizens out of White people. Busbee is willing to do that for negroes, but he is not willing to furnish free bookkeeping and free tax services to small White businessmen.

### Busbee's Fair Employment Practices Act

Busbee is a scalawag who intends to outdo the Jew-controlled federal government in discriminating against White people. This year Busbee, working hand in hand with the Black Caucus, rammed a state civil rights law through the General Assembly.

They passed a so-called "Fair Employment Practices Act" which discriminates against Whites in the hiring and promotion of employees by the Georgia state government. It required department heads to hire and promote negroes and threatens them with a year in prison and a thousand dollar fine if they fail to hire and promote blacks. The federal government is an example of how that causes preference to be given to negroes.

If Busbee is re-elected in 1978, he can be expected to ram more and more so-called civil rights laws through the legislature. Busbee is taking from the Whites and giving to the blacks.

Gov. Busbee appointed Franklin Thomas, a negro, to a key position in state government so that he would give more jobs and promotions to blacks, thereby depriving Whites of those jobs. He has a Jewess by the name of Jean Levine as "Chairperson" of his Equal Opportunity Office.

### Busbee Against White Prisoners

Most prisoners in Georgia are negroes and Busbee and the federal courts side with the blacks against White prisoners. The main state prison at Reidsville is about 80% black and the black savages there are always ganging up and assaulting and raping White prisoners. Yet every time there is trouble between blacks and Whites at Reidsville, Jackson, or anywhere else, Busbee and the top prison officials side with the blacks against the Whites. The negroes are a majority in prison so they start all the trouble. The White prisoners are merely trying to survive and are forced to live by the law of self-preservation. If J.B. Stoner is elected governor in his race against Busbee, Stoner will protect the rights of White prisoners.

**In Georgia** many counties board and work state prisoners. It is much safer for a White prisoner to be imprisoned on a county work camp that boards state prisoners than it is for him to be in Reidsville or Jackson. For boarding and working state prisoners, the state pays counties $4 per day per prisoner. The state legislature voted to increase payments from $4 to $7 to keep up with inflation and make certain state prisoners had necessities. Gov. Busbee discriminated against White prisoners when he vetoed that increase. It would have enabled the state to move more White prisoners from the large state prisons to the much safer work camps. It took a cruel governor to veto that bill. J.B. Stoner would have signed the humane bill into law if he were governor.

At the same time, Gov. Busbee admitted that the racial violence in Georgia prisons is caused by integration brought on by the federal courts. But Busbee endorsed such evil court orders as the *"law of the land."* Busbee is for the black prisoners against the White prisoners. When J.B. Stoner is elected governor, he will do everything in his power to help the White prisoners.

### Busbee Against White History

After the War Between the States, many Whites had their right to vote taken away from them and all of the black savages were hauled to the polls and voted in election after election. Georgia was under the rule of federal bayonets, carpetbaggers and scalawags who put the savage niggers over the White people of Georgia. Illiterate, dishonest and drunk niggers packed the

Later, loyal Whites threw all these blacks out along with the scalawags and carpetbaggers. Now Gov. Busbee is honoring the enemy and placing his stamp of approval upon this Reconstruction atrocity.

**Busbee's record continued from the preceding page.**

legislature. Finally the White people of Georgia regained control and kicked the niggers out. Thirty-three black beasts were ousted from the General Assembly as the First Reconstruction came to an end.

Gov. Busbee, working with the Black Caucus, had a statue built and dedicated to the thirty-three ousted negroes and placed it on the grounds of the State Capitol. On this page is a picture of Georgia's race-mixing governor and his black friends at the dedication of this monstrous insult to the White people of Georgia.

When Jimmy Carter was governor, he and his cohorts placed a painting of M.L. King, Jr. and others like him on the walls of the capitol. Busbee has protected those paintings by having guards at all public entrances to the Capitol, where they require all who enter to produce identification and pin on a "visitor" tag. Busbee and the Black Caucus think that the State Capitol is their private property and that the people of Georgia are only "visitors" when they go there.

The election of J.B. Stoner would change all of that and the State Capitol would once again belong to the White people.

### Stoner Announces For Governor

J.B. Stoner has become the best-known political figure in Georgia. Last month he announced for Governor at a packed meeting of White Racist supporters at an Atlanta Holiday Inn.

Stoner is openly standing up for the rights of White people. He took this action at the request of friends who want to put a stop to the race-mixing activities of Gov. George Busbee. Stoner's formal platform will be revealed before the qualifying deadline.

Also last month, Dr. E.R. Fields spoke before an NSRP meeting in Jacksonville, Fla. Plans were laid for a large meeting to follow with an important guest speaker.

Both Dr. Fields and Attorney Stoner have been subpoenaed to Washington for a second go-around in the great $5 million tax waste show presented by the so-called "House Assassination Committee." This farce is a hindrance because it wastes our valuable time and has uncovered nothing of any importance about the case of M.L. King, Jr.'s death, which no one cares about any longer anyway.

### Tougher Penalties For Black Muggers

**Ontario** Attorney General Roy McMurtry stated that there has been an increase in negro attacks upon Whites which are racially motivated. He stated that there should be stiffer penalties for such racially-inspired assaults.

In America it is just the opposite. Black criminals always receive much lighter sentences than White offenders. It is said that the basis for this is that negroes are expected to commit such acts.

## Eilberg for More Immigration

### Jews Still Back Rep. Eilberg

Rep. Joshua Eilberg represents a Jewish section of Philadelphia in Congress. He received national publicity when it was revealed that he phoned Pres. Carter and asked that local U.S. Prosecutor David Marston be "expeditiously" fired. The reason was **that Mr. Marston was hot on the** trail of a big political kickback scandal.

**Philadelphia's** Hahnemann Hospital was seeking funds for a major expansion. Eilberg told them he could deliver a federal anti-poverty grant of $14.5 million **if his law firm was hired to** represent the hospital. This was done and the hospital paid Eilberg's firm $500,000. U.S. Attorney Marston was about to ask for indictments when Atty. Gen. Griffin Bell suddenly fired him.

Few people realize how powerful Congressman Eilberg is. He is Chairman of the House Committee on Immigration. He has helped push legislation through increasing the "parole authority" of the U.S. Immigration Service so that tens of thousands of refugees can flood into America as *"victims of political persecution."* They are coming in from Vietnam, Africa and even Haiti!

Despite the charges of committing a crime by accepting kickbacks, Eilberg still has not been indicted and Jewish leaders in his community support him to the hilt.

Writing in the *Philadelphia Daily News* of Feb. 15, Jew community leaders Max Kaplan reminded his people:

*"Cong. Eilberg is a man who steadfastly championed the immigration rights for Soviet Jews. He has relentlessly pursued the hunting down and deportation of Nazi war criminals in America.*

*"I am proud of Joshua Eilberg and consider it a privilege to vote for him. When all the charges against him have been dispersed, our champion in Washington shall continue to give us valid service for many years to come."*

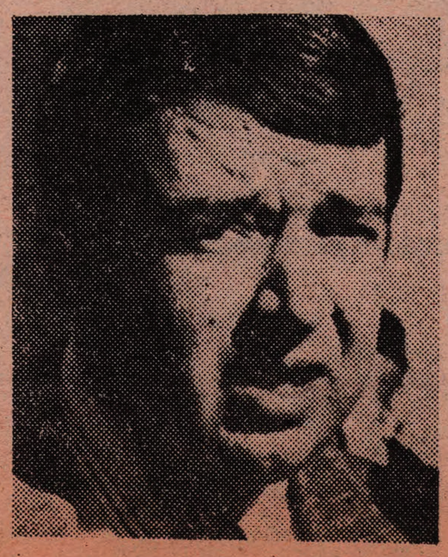
Eilberg has already served 5 terms and on Feb. 18 won the endorsement of his home district ward leaders. Jew Randolph Ries charged that the press was "unfair" and should look at all the good Eilberg has accomplished. Jew Frank Gorman charged that the allegations against Eilberg come from "sick" minds and that they would re-elect their **hero regardless.**

Thus we can easily see how justice can be thwarted when the guilty party comes from a wealthy and powerful minority group.

David Marston is now running for Governor and may be elected. The public is sick of all the crime and corruption in America's three Jew-run states - meaning New York, Maryland and Pennsylvania. The time has come for Christians to become more politically active and boot these crooks out of office. We shall also demand that Carter and Griffin Bell

**Rep. Joshua Eilberg**

indict Eilberg or this will grow into a "Cartergate" which will

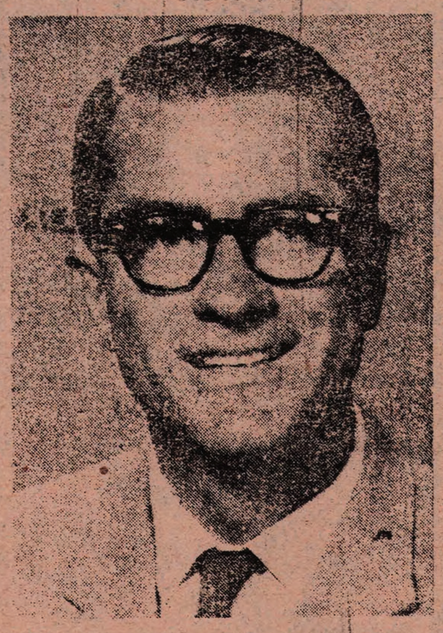


**David Marston**

insure that he is unable to receive the renomination of his own party for president in 1980.

### Alaska Lt. Gov. Against Mixed Marriage

Lowell Thomas, Sr. is the world traveler and TV commentator who has made a thorough study of backward peoples of the world and their lifestyles. There is no doubt that his son, who accompanied him on many of his **journeys, learned much from his** illustrious father.



**Lt. Governor Lowell Thomas, Jr.**

Today an uproar exists over recent statements made by Alaska's Lt. Governor Lowell Thomas, Jr. Recently he visited South Africa and stated that Pres. Carter was dead wrong in his views about turning that country over to black rule. Lt. Gov. Thomas said that *"the South African economy would go to hell in a handbasket if blacks were allowed to vote."*

Lt. Gov. Thomas said that *"blacks are not ready to vote and I do not know when the appropriate time would be."* The Black Caucus back in his home state denounced Thomas and he replied that if they didn't like his views they could run a negro for Lt. Governor. Mr. Thomas went even further and made a statement which would make most politicians shake in their boots. He said:

*"I am against mixed marriages. I suppose that's a form of segregation. Mixed marriage goes against nature. It goes against my nature."*

Negro Glen Campbell of the state's Equal Opportunity Office said "perhaps Lt. Gov. Thomas does not know I have a White wife." Thomas stood by his guns **and declared that if they are mad** at him, they don't have to vote for him. Some have suggested that he not run for re-election, but Thomas has turned this idea down. Whites as a whole support Lt. Gov. Lowell Thomas, Jr. and he is expected to be re-elected. **We need more political leaders of** the calibre of Lt. Gov. Thomas.

## Kennedy tells Bell U.S. should admit 4,000 from Russia

WASHINGTON (JTA) — Senator Edward F. Kennedy (D., Mass.) revealed in a Senate speech that he had urged Attorney General Griffin Bell to allow 4,000 Soviet emigrants, currently "backlogged" in Rome, to enter the U.S.

"It serves no useful purpose to keep them in transit — often for many weeks and sometimes for many months," Kennedy told the Senate.

He said he asked Bell to exercise the Administration's authority under the Immigration and Naturalization Law to "parole these special migrants" and to help void "some needless personal hardships."

(The great majority of these people in Rome — practically all of them — are Jews who applied in Russia for emigration visas to Israel but opted not to go there after they reached the West. The few who are non-Jews listed their destination as Israel because that was the only way they could get out of the USSR.)

### How Many Dead Jews In United States

Six Million Jews were supposed to have been exterminated by the Germans during WWII. The war broke out 38 years ago and has been over for 32 years, yet there are literally millions of Jews still alive who claim to be "survivors" of Hitler concentration camps.

The Chicago Sun Times of June 26th states that there are 40,000 Jews living in Skokie, Illinois. It says that 7,000 are survivors of the so-called "death camps".

Huge numbers of such Jews have formed organizations to promote a never ending stream of demands for more and more money from West Germany in the form of "reparations". If there are 7,000 Jew survivors in the little community of Skokie then how many live in other larger cities? Hitler must have been rather "soft" on Jews if such a vast number has survived. We must also take into account all the survivors who died natural deaths in the past 32 years! Remember also that the Germans were accused of killing the women and children out of hand as soon as they arrived! Thus only those healthy male workers could have been left at the end of the war.

### Churches and Red Revolutionaries

Federal authorities in New York have released two Puerto Rican women for their activities with the terrorist "Armed Forces of National Liberation" (FALN). This Puerto Rican independence group has been responsible for many bombings in Chicago and New York since 1974. The two women were held for 10 months in prison as material witnesses for the 1975 bombing of New York City's "Fraunces Tavern" in which 4 people were killed.

The women are Miss Maria Cyrto, director of the Episcopal Church's Commission on Hispanic Affairs, and Miss Raisa Nemikin, her secretary. They have also been active in pro-ERA and lesbian rights activities. Rev. Walter H. Boyd, representing the Episcopal Church, said that both women would have their jobs waiting for them as soon as they got back.

### United Church of Christ Agitators

*The Wilmington 10* continue in the news as they fight for their freedom despite the fact that all avenues of appeal have been exhausted and their guilt approved by state and federal courts. Still they think that they should be released just because they are black.

In all of these bleeding heart articles bemoaning the fate of the "Wilmington 10," there is no mention that the "United Church of Christ" sent the "Rev." Ben Chavis (head of the Wilmington 10) to Wilmington to begin his program of civil rights agitation.

Chavis urged black mobs to burn down buildings and shoot at Whites driving by in passing cars. Several were killed during the riots and negro Allan Hall has given testimony that "Rev." Chavis was the one who shot a Whiteman to death on the streets of Wilmington during the riots.

Thus we find that the United Church of Christ is one of the chief bodies which has closely worked with the U.S. Communist Party for the release of Ben Chavis. There can be little doubt that communist elements have infiltrated many of the large church denominations. Long ago a plot was discovered whereby the communists decided that the best way to infiltrate the churches was through the seminaries. This is why the present generation of theological graduates are so far to the left.

The time has come for Christians to examine such "religious bodies" as the Episcopal Church and the United Church of Christ and determine whether or not they are actually working for Christianity or Communism.

### Black Catholic Church

During the International Catholic Eucharistic Congress held in Philadelphia one negro Cardinal from Africa and four black Bishops from America said that there would have to be fundamental changes in the Mass if more negro converts were to be won.

The Cardinal, Maurice Otunga, from Kenya, and Bishop Peter Sarpong of Ghana declared that *"drumming, dancing and hand-clapping"* were extremely important to the black religious experience. Some were bitter because they reported loss of church members to voodoo cults. They also criticized Church leaders for not condemning the White governments in Southern Africa.

Many Catholics are already **upset over the modernistic changes which have already been made in their liturgy and any move toward *"Africanization"* of the church service would have s serious disruptive effect.**

# Interracial Marriage A Disaster

EDDIE LEE FERGUSON

CALVIN SNODDY

BEVERLY SNODDY

**Interracial Couple Murders Boy**

**Oakland** police have arrested negro Calvin Snoddy, 27, and his White wife Beverly, 29. They state that the negro father "hated" his White step-son by a previous marriage. He wanted to get rid of him and with the aid of his race-mixing wife they strangled the young boy to death. His name was Eddie Lee Ferguson, age 6. This newspaper has carried many accounts of the disasters which take place as a result of interracial marriages and dating. The daily press never carries such news when it happens outside their area. Also, the New York controlled newswire services to not transmit such information. Your help in distributing *The Thunderbolt* will do much toward awakening America to this problem.

# Blacks Have Lower I.Q.

**Negroes Want IQ Tests Banned**

**San Francisco's** "Public Advocate organization" has filed suit in court to have all IQ tests banned. They maintain that such tests result in large numbers of negro children being placed in classes for the mentally retarded. Negroes make up 9% of California's population but account for 27% of those in classes for the mentally retarded.

They have taken the case of a negress named Sylvia, 16, and contend that she is *"culturally deprived"* and not mentally retarded as the IQ tests indicate. Nationwide tests consistently show the negroes to be 15 to 20 IQ points lower than White people on the average. These findings hold true whether or not the children come from a poor welfare black family or one that is middle class.

## FREE! - "THE AFRICAN"

**By Thomas E. Watson**

Tom Watson was one of the most famous political leaders in Georgia history. The main statue on the grounds of the Georgia State Capitol is that of Tom Watson. Watson was a world traveler and famous author and he studied the life of the negro in Africa. His prose on this subject is the most revealing and startling we have ever read. An appendix in this book gives the Belgian report on atrocities committed by negroes when they revolted in 1960 and sought to torture and kill all Whites. This sensational eye-opener is free to all NEW subscribers using this form or requesting "The African."
